## *The Chissy's Legend*

True to its name, the Old Fashioned is a time-honored tradition at Chissy's—hand-muddled and served the “old-fashioned” way, just like the first one mixed by the restaurant's original proprietor and namesake, Harry E. “Chissy” Chisolm. And today, generations later, our Old Fashioned is still the talk of the town!

But Chissy's offers more than great drinks. Since 1985, we've been serving delicious sandwiches and entrées from our extensive menu. Enjoy our exclusive San Diego Breast of Chicken or indulge in U.S.D.A. choice beef with any of our incredible cuts! We are committed to serving nothing but the best—every time, whether you're dining with us or using our premier banquet facility and services.

So sit back, relax and enjoy the legendary Chissy's Pub and Grill experience with your hosts Cindy and Darrell Ringel.

*We're glad you're here!*
